注: Core Jewish population refers to those who consider themselves Jews to the exclusion of all else.

Connected Jewish population includes the core Jewish population and additionally those who say they are partly Jewish or that have Jewish background from at least one Jewish parent.

Enlarged Jewish population includes the Jewish connected population and those who say they have Jewish background but not a Jewish parent, and all non-Jews living in households with Jews.

Eligible Jewish population includes all those eligible for immigration to Israel under its Law of Return.(ユダヤ人の母から産まれた者、もしくはユダヤ教に改宗し他の宗教を一切信じない者)
